STAFF REPORT

ITEM NUMBER 03 – PROJECT STATUS BOARD MEETING JULY 28, 2021

- 1. North Harbor Building Listing: As of December 28, 2020, Mahoney & Associates was given notice that the contract they had with the Harbor District for the listing of the North Harbor Building was expired and that their services were no longer required. As of now, the Harbor District has no listing agent for the building and the General Manager has been working with interested parties in the hopes of securing tenants at the building. As the COVID-19 pandemic restrictions loosen in Monterey County and the commercial real estate market starts to pick back up, The Board of Harbor Commissioners may choose to explore the options related to the representation of the new building listing by a real estate professional. The General Manager will take appropriate action once given direction from the Board.
- 2. <u>North Harbor Inn Project</u>: This project is currently on hold. The Harbor District received a proposal related to the development of property in the North Harbor where the Inn would be located if constructed. The Real Property Committee has met with the potential developer and provided a counter proposal. We are currently awaiting a response.
- 3. Cannery Building HVAC and Penthouse Mechanical Room: 3 HVAC units at the Cannery Building are in need of replacement. The units are, and have been, quickly deteriorating due to the salt air environment here in Moss Landing. In an effort to prevent future units from deteriorating so quickly, staff is proposing a penthouse mechanical room be built to house the new units protecting them from the environment. This will reduce maintenance costs and extend the overall life of the new units. Staff hired Wald Ruhnke & Dost Architects (WRD) to render plans for the penthouse mechanical suite which will be used for permitting and the notice inviting bids for the project. The project plans were recently completed by WRD and have since been submitted to the Monterey County Planning Department for review and is expected to complete any day. Staff is hopeful that the project will be completed prior to November 2021.
- **4. Demolition of Pot Stop Building:** The former Pot Stop building located in the Moss Landing North Harbor has been vacant for a number of years due to its dilapidated condition. As previously discussed with the Board of Harbor Commissioners, staff plans to have the building demolished later in the year, sometime prior to Winter 2021. Plans for the project have been completed and been sent to the Monterey County Planning Department for review. At this time, it is the staff's intention to have the project completed prior to November 2021.
- **5.** Resurfacing of the North Harbor Parking Lot: The North Harbor Parking lot is in need of resurfacing and striping which hasn't been completed in almost 20 years. Staff has completed plans and bid documents and the project is scheduled for a bid opening on August 20, 2021. After the bid opening staff is hopeful that a contractor will be approved during our August meeting of the Board and the project will begin sometime soon after.

ITEM NUMBER 08 – INCIDENT REPORT BOARD MEETING OF JULY 28, 2021

06/17/2021 Staff was informed of a man on B-dock putting a cigarette out on a vessel and appearing intoxicated. Staff confronted the individual and he said he was a crewmember from a commercial fishing vessel. MLHD staff called the captain and he stated that he just hired the crewmember the day before, but would have him gone within the hour.

06/19/2021 Staff got a call from a tenant on A-dock reporting that the vessel in slip A-20 was hit by another vessel. Staff went down to investigate and saw the offending vessel pulling up to the maintenance dock. MLHD Staff spoke with boat owner who was from B-dock and informed him of what happened, to which he was aware. Staff took down his information and passed it to the owner of the vessel that was hit.

07/16/2021 A tenant was on another tenant's vessel on A-dock where he fell and hit his head inside of the vessel. AMR and the Fire Department arrived on scene; the individual who fell became combative with responders and was ultimately restrained on a gurney and transported to the hospital. At this time Staff has yet to receive additional information but is following up.

No further incidents to report as of July 25, 2021

ITEM-18- CONSIDER THE SUSPENSION OF THE DISTRICT PASSENGER VESSEL FEES THROUGH THE END OF 2021, ORDINANCE NO. 208
BOARD MEETING OF JULY 28, 2021

On April 22, 2020, The Board of Harbor Commissioners adopted Ordinance 208, which in light of financial hardships created for residents and businesses by COVID-19 related disruptions in employment and business operations, authorized General Manager Razzeca to temporarily suspend the imposition of District Late Fees (for berth rentals, liveaboard fees and dry storage space rental) and Passenger Vessel Fees. The original term of the suspension was from April 22, 2020 through May 15, 2020. However, Ordinance 208 also provided General Manager Razzeca with authority to terminate or extend the suspension on an administrative basis as necessary and without further Board action, based in part on whether National, State or County restrictions on business and employment remain in effect. General Manager Razzeca is to provide a monthly report on the status of this matter and should receive input from the Board.

As of August 5, 2020, late fees on account balances were reinstated; however the Passenger Vessel fee has remained suspended. During the General Manager's presentation at the June 30, 2021 regular meeting the Board indicated that the General Manager should bring this item to our July meeting where the Board would consider suspending the fee for the remainder of the year 2021 with the fee to reinstate as of January 2022 allowing the Harbor businesses time to recover from the effects of the COVID 19 Pandemic.

The Board should consider taking action approving the suspension of the passenger vessel fee for the remainder of the year 2021 with the fee resuming as of January 2022. Should the Board approve this action the General Manager will contact all businesses operating in the Harbor subject to the fee and provide update regarding the Board's action.

ITEM-19- CONSIDER SPECIAL ACTIVITY USE PERMIT FOR ARB INC. BOARD MEETING OF JULY 28, 2021

ARB Inc. will be replacing the gas main and services along Highway 1 from Dolan Road to Springfield Road and has asked the General Manager about the possible use of the old Pot Stop dirt lot in the Districts North Harbor for a staging and storage area during the project. ARB Inc. is interested in a space 100' x 75' (7500 square feet) of space. Using the price per square foot as listed in the Districts Ordinance Code the General Manager has determined that the monthly fee for the requested space would be \$3,375.

The items expected to be stored in the lot if approved are listed below:

- 1. Traffic Control Signage and K-Rail (Concrete Barriers)
- 2. Backfill Materials typically Class II Aggregate Base and Temporary Paving Material (Cut-back)
- 3. Pipe Storage to including 2 Inch HDPE Plastic Pipe. The pipe will be stored on reels and we will be inserting into the existing 4" Inch pipe.
- 4. PG&E may stage CNG Trucks (Compressed Natural Gas) during the by-pass process. This is a very safe process and would be used if needed to provide natural gas to the restaurant in the Marina during that phase of the project.
- 5. Construction Trucks and Misc. Equipment.

ARB Inc. expects the project to take place from July 19 - November 1, 2021, however GM Razzeca has told ARB Inc. that even if approved by the Board the upcoming demolition of the Port Stop Building may only allow their use of the space for the months of August and September 2021 depending on the timeframe of the demolition project beginning.

Included in the agenda packet is the ARB Inc. Special Activity Use permit application along with a photo of the area proposed for their use and a certificate of insurance naming the District as additional insured as is required with all permits issued by the District.

SERVING COMMERCIAL FISHING AND RECREATIONAL BOATING SINCE 1947

The Board should consider approval of the Special Activity Use Permit allowing ARB Inc. to use approximately 7500 square feet of property in the old Pot Stop dirt lot for the use of storage and staging of equipment. Should the Board choose to approve the Special Activity Use Permit, the Board should also direct staff to include any special conditions that need to be added to the permit in the approval action so staff can include the conditions with the issued permit.
